# Happenings in Spruce Cliff

## NEW Website:

Come visit our new site [www.sprucecliff.org](http://www.sprucecliff.org) and come often for news and upcoming events in our community. Also, please consider taking part in the success of our community by helping with website content and great information. We're looking for our talented Spruce Cliff residents of all ages to tell us about your personal experience and knowledge of our great inner city community.

Tell us your stories about:

- the neighbour that has made Spruce Cliff home since the 1950's
- the rich history of the Hellenic society in our community
- the home built in 1910 that pre-dates Spruce Cliff
- all the great trails and parks that we have access to
- and anything else you'd like to share with your fellow Spruce cliff neighbours.

If you're interested in writing something and sharing with [www.sprucecliff.org](http://www.sprucecliff.org) please reach out to us on our contact page, and we'll ensure your story is told.

## Meet your neighbours on Neighbour Day!

**Save the Date - Spruce Cliff Neighbour Day June 17 2017 Noon to 3 PM**

**We extend to all residents of Spruce Cliff** an invitation to join with your community association in a free event to celebrate our neighbourhood on **\*Neighbour Day 2017- June 17\***

This event, beyond an opportunity to have fun, will provide you an opportunity to mix and mingle with your neighbours, find out more about this demographically diverse community, the area clubs and businesses.

You will have an opportunity to provide your perspective, thru comment to the **\*This is My Neighbourhood - City initiative\***, on living life in the community of Spruce Cliff, as well as an opportunity to participate in a Canada 150 mosaic project.

There will be cultural entertainment, local business displays, and the City sponsored youth recreation activities; with a bouncy castle and other recreational games. You will have an opportunity to learn more about how to improve your family's safety with a demonstration from Calgary Fire Department, and try your skills at lawn bowling (between noon and 2 PM.)

**Volunteers needed, please email us at [sprucecliffassoc@gmail.com](mailto:sprucecliffassoc@gmail.com) if you have a few hours to volunteer on the event day.**

### **Mosaic Art Project.**

So many celebrations are happening this year because of Canada's 150th and the Spruce Cliff Community Association is having an extra special Neighbour Day event on June 17th to join in the party!

Michelena, of Wolf Willow Studio, is thrilled to be hosting an art engagement opportunity along with Sisay Shimeles to kick off their Spruce Cliff Stories Project. And Wolf Willow Studio will be having some special artist guests to add to the festivities! Stay tuned for more info soon!

## Did you know that Spruce Cliff has a Community Social Worker?

Community Social Workers support residents, local businesses, schools and community groups to develop local solutions to local issues. What we help residents do:

- v Create opportunities & events for neighbours to get to know and help each another
- v Build partnerships within local neighbourhoods to positively impact residents
- v Initiate creative projects to address social issues such as food security, employment, childcare, affordable recreation opportunities and social isolation
- v Find opportunities for residents to share their skills and knowledge in order to enhance the community

We want to work with you to build on existing strengths and resources and create an even better place to live, work and play. Please call if you are interested in learning more or want to get involved.
