

# Spruce Cliff Community Association

3375 Spruce Drive SW T3C 3A3

[info@sprucecliff.org](mailto:info@sprucecliff.org)

Web: [sprucecliff.org](http://sprucecliff.org)

**Engaged & informed communities are wonderful places to live** and play, all good reasons to be a member of your Community Association. Spruce Cliff values being a safe, beautiful, active, and accessible neighbourhood.

If you are like your board volunteers you are **thinking of spring**, and top of mind for us is to encourage you to purchase or renew your membership. Visit our web site: "sprucecliff.org" or the "Streetbeat.ca" site to purchase or renew online or you can mail/drop off your payment at the Centre with the form on page 2. Please encourage your neighbours and friends living in Spruce Cliff to join & engage in building community.

**Your membership support is the foundation of society's work.** With the energy of volunteers, and some successful grant applications in the last year we were able to entice some of you out to mix and mingle in our parks and participate in a little "care" of the community's public spaces.

**The Spruce Cliff CA's Annual General Meeting** is scheduled for **May 8<sup>th</sup> 7 -9 PM** @3375 Spruce Dr SW. You need a **valid membership by April 23<sup>rd</sup> to vote but all community residents are welcome to attend and join the community conversation.**

## Community Opportunities:

**Watch for update posters around the community, on the web page and on SM - @SpruceCliffCA - sprucecliff.org.** Your team is working on a new easier to manage web page and volunteers are learning new graphics programs - the domain name will stay the same.

**Community Clean UP – Our application is in for a Spring date**, we are waiting for a good news response. The city with volunteers from the Spruce Cliff & Wildwood communities hope to host a **"Drop off only clean-up event"** @ 4411 Spruce Dr. A free opportunity to save you a journey to the dump. See up-dates on posters, the web page-sprucecliff.org or SM for details & for a list of accepted materials.

## Neighbour Day – Saturday June 15 11 to 2 PM

Plans are in the works for a chance to mix and mingle, come out and connect with your neighbours & friends – live music, food, crafts, and more.

**In the theme of Beautification**, with the generous support of member donations and time, we plan to again line the community gateways and the Centre parking lot with flowers as a follow-up for the "winter lit trees."

**Helping hands?** If you are willing to adopt one of the six parking lot planters for 2024 or participate in the watering schedule for the gateway pots -please drop us a note.

## Upcoming Activities & Volunteer Opportunities

### March

Community Association Awareness Month

**May 8<sup>th</sup>** 7 to 9 PM

volunteers plant and water.

**June 15<sup>th</sup> Saturday- Neighbour Day** A fun afternoon -Live Music, Food, Crafts and more.

GET INVOLVED & BECOME A MEMBER TODAY!

# Around the Hood

**Community Care – Cedar Crescent Park** will see more landscaping activities this spring season, in part a project to replace the urban forest removed from the communities ongoing densification.

**Often the work the CA undertakes is not immediately visible**, we encourage you to join us in 311 service requests for things like graffiti cleanup, shopping cart pickup, and asking for assistance to address things like social disorder in our park spaces and trip hazards on uneven sidewalks. The adage See something – Say something applies not just to reporting crime.

To help our emergency responders, be bylaw compliant, keep the community looking good, and discourage problem social behaviour: if you live in a property with a lane or beside a walkway:

- add your address numbers to your rear fence or garage,
- weed and trim vegetation to 150 cm to the centre line of the lane or walkway.
- remove your recycle bins after collection day to discourage “transient traffic” and litter. **If you do not have other causes that you support with your returnable bottles** – consider the SC Community Association -free pick up from Skip the Depot- [skipthedepot.com](http://skipthedepot.com) and select donate to the SCCA.

**The Community Association needs volunteers** to continue to help connect the community with information and opportunities.

If you have expertise, experience, are just keen to meet people, learn something new or just give back – we need to hear from you. As little as four hours a month for meetings on CA activities, contributing on a committee for responses to redevelopment proposals, volunteering on a day of an event or some time toward a “care” project: it all makes a positive difference in the community. Email [info@sprucecliff.org](mailto:info@sprucecliff.org)

## Community 2023
